Copperpot was first created by the Brian family 1979. Based in the picturesque fishing harbour and seaside town, St. Ives, Cornwall. Copperpot fudge is enjoyed by generations across Europe and all around the globe.

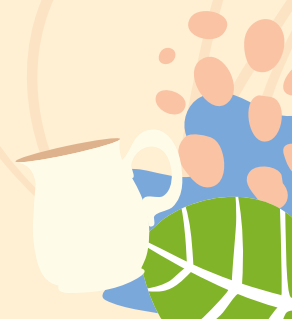

Producing the perfect batch of Copperpot fudge really boils down to three things, using the finest ingredients, cooking them to the perfect temperature, and our team of highly talented kitchen chefs. All of these elements together create your next level Copperpot fudge experience which we know you'll love.

The great British classic
ALL BUTTER FUDGE

Our Butter Fudge is lovingly made with creamy butter, milk and golden syrup. Every batch is skilfully crafted to crumble on the tongue with a melting, buttery bliss.

Produced in the UK, using Salted Butter from the UK and Ireland.
